SPA MENU

Welcome to SPA InterContinental®

Discover a unique “in the know” Spa & Health club destination, where every element is customized to your healthy time. SPA InterContinental located at the InterContinental Regency Bahrain, bridges the gap between expert skincare and total wellness for body and mind with treatments from award-winning luxury European brand Bruno Vassari and natural products such as fruits, seeds, chocolate and yoghurt.

Whether you have a moment to recharge, an hour to detox & workout or a day to relax; immerse yourself in sumptuous surroundings and enjoy sport time or a treatment from the specially tailored therapy menu to suit any schedule or lifestyle.

Massages

We offer several types of massage that focus on different parts of the body or healing approaches. During a massage, our massage therapist will apply gentle or strong pressure to the muscles and joints of the body to ease pain and tension. No two people are the same. That's why our exclusive personalized packages provided by our professional therapists will give you total relaxation to pamper and rejuvenate your five senses.

MASSAGES

Aromatherapy

Using essential oils, this soothing treatment is designed to balance the body's equilibrium and improve mental and physical health. The essential oil properly works on the brain and nervous system through stimulation of the olfactory nerves, improving blood circulation and lymphatic flow.

50 minutes: BD 38.500

80 minutes: BD 51.000

Balinese

Balinese massage is a combined technique of gentle stretches, acupressure and aromatherapy oil treatment which stimulates the flow of blood, oxygen and energy all over the body and brings deep relaxation and wellness. It is a highly effective treatment for sport injuries.

50 minutes: BD 38.500

80 minutes: BD 51.000

Deep Tissue Sports

This invigorating treatment technique incorporates elbow and forearm work on deeper tissues and it is ideal for those who are seeking for massages with harder pressure. It helps to release the air trap in the blood stream and veins for physical well-being.

50 minutes: BD 38.500

80 minutes: BD 51.000

MASSAGES

Swedish

Relaxing and stimulating, this classic full body massage helps soothe sore muscles, increase blood circulation and reduce the body tension. The application of long strokes, combined with kneading by thumbs and palms along the nerve path, aids in the removal of toxins by way of stimulating the lymphatic system.

50 minutes: BD 38.500

80 minutes: BD 51.000

Traditional Malaysian Urut

The main cause of ill health and lethargy is because of trapped air in the blood stream and vein. The traditional Malaysian Urut massage uses herbal oil and works with rhythmic combination of thumb, palm pressure, wrist and elbow gliding on the back to help to ease the tense, aches and pains and enhance the physical well-being.

50 minutes: BD 38.500

80 minutes: BD 51.000

Anti-Stress Neck & Shoulder

This treatment is tailored for those who work on computers most of the time. It helps to loose the tightened muscles of neck, shoulder and back; as well as to ease the tension and improve smooth flow of blood.

25 minutes: BD 20.400

40 minutes: BD 28.100

SPA MENU

MASSAGES

Ancient Royal Thai

Stretching the muscles and joints is a form of “passive yoga,” which improves flexibility of the body. Gentle pressure is applied to stretch the muscles along the energy lines of the body to enhance the energy flow and to harmonize the body, loosen the knots, and regain deficiencies.

50 minutes: BD 38.500

80 minutes: BD 51.000

Foot Reflexology

Foot reflexology promotes relaxation and well-being through reflex points located on the foot. By pressing the reflex points, the blockage in glands, organs and other parts of the body can be reduced and eliminated.

Bruno Vassari

Bruno Vassari was founded in 1984 by a group of professionals from the world of cosmetics, marketing and business, who decided to create a new brand of cosmetics for the professional market. They were inspired by the Italian classics, and amongst them, Giorgio Vassari, a renowned painter, sculptor and architect from the sixteenth century. Like he did, these professionals wanted to break down the ways of the past, and start a new path in the professional beauty market. The below facial treatments utilize the luxurious Bruno Vassari products.
